

RESEARCH ANALYST

- Inspiring School Community
- Professional development opportunity
- Delivery of data research and the highest level of donor care

GEELONG GRAMMAR SCHOOL®
EXCEPTIONAL EDUCATION

Geelong Grammar School is one of the world's leading coeducational boarding and day schools offering exceptional education to all of its students from early learning through to Year 12. Geelong Grammar School seeks to inspire its students and community to thrive and make a positive difference through its unique, transformational and well-rounded education.

Geelong Grammar School empowers its young people in pursuit of not only their own wellness and purpose, but also in support of creating a positive difference to others. The School embodies this same philosophy through its magnanimous support of scholarships and delivery of projects providing a life-changing opportunity to students who would otherwise be unable to access this world class education.

This is an outstanding opportunity to build upon, or develop, your Advancement career within a state of the art, leading-edge School. Reporting to the Director of Advancement, you will play a critical role supporting the Advancement Team to ensure successful fundraising strategies and campaigns for the School.

The ideal candidate will have a demonstrated track record undertaking research from mixed data sources, exceptional analytical and conceptual skills, along with a proven ability to gather intelligence and relevant philanthropic data to support fundraising strategies.

Exposure to the education or broader NFP sector is preferred, however training and support will be provided to a candidate demonstrating a passion and drive for making a difference in a philanthropic educational setting. A positive attitude and genuine commitment to the ethos of Geelong Grammar School is paramount.

This pivotal role in the Advancement Team is suited to a candidate with an eye for detail, exemplary writing and analytical skills with a capacity to use databases and data mining tools. Time management is essential with the ability to prioritise schedules and meet deadlines.

We offer salary packaging options, onsite car parking and excellent employee benefits. Some evening and weekend hours may be involved, and a current Victorian Drivers Licence is required.

If you have the acumen and passion to drive new levels of success in support of this iconic institution, please apply to cv@dakinmayers.com.au by 14 September or call Rick Mayers on 03 9629 6999 for a confidential discussion.
