

GENERAL MANAGER HUMAN RESOURCES

- Major private sector aged care provider
- Contract role – possible long-term alternatives
- Attractive remuneration package

Join this growing aged care provider and assist them to shape their future in a key executive role where you will be able to maximise your visionary leadership, people development and sound management ability. Your mission is to provide strategic HR & IR advice and service, ensuring that all HR policies and programs are strongly aligned to supporting the vision and values of one of the largest privately owned aged care providers in Australia.

Reporting to the Chief Financial Officer, you will be an integral member of the management team, providing strategic direction to the organisation and leadership to a small team of HR professionals. This important broad ranging role calls for an experienced Manager with progressive ideas who can move from strategic to operational HR, and enjoys working collaboratively with others to help them achieve both their personal potential and organisational goals.

As a value-adding HR specialist you will develop and implement HR strategies and systems, approaches and practices ensuring the organisation is supported by best practice. With overall responsibility for all aspects of HR, we are seeking a commercially focussed individual with excellent negotiation skills, relevant tertiary qualifications, strong EBA & IR capabilities and demonstrated success at management level in an Aged Care / Nursing environment would be advantageous.

A competitive package will be offered for this challenging and rewarding role. If you've been searching for an organisation that values all its people, where your expertise and contribution will be acknowledged and appreciated, call Philip Mayers or David Wood on 03 9629 6999 for a confidential discussion or forward your application.
