

CHIEF FINANCIAL OFFICER

- Broad finance role
- Key leadership position
- Highly regarded NFP

Take a key leadership role with one of Australia's best regarded Medicare Locals in the heart of Western NSW. Located in vibrant Dubbo, **Western NSW Medicare Local** serves over 255,000 people throughout the region and is passionately committed to 'working together for better health in local communities'.

Reporting to a progressive CEO you will be a member of the Executive and be responsible for leading, developing and managing the financial services function across the organisation, ensuring WML meets its legislative, regulatory and performance reporting requirements.

You will lead the finance team in cross-functional areas including strategic financial and business performance management, capital management, financial systems and payroll, and provide advice and support for informed business decisions in line with agreed measures and strategic objectives.

With previous experience managing a team, you must be CPA / CA qualified and have strong budgeting, financial management and statutory reporting abilities.

This is an ideal career move to join a high performing organisation. Apply by email to cv@dakinmayers.com.au or call Philip Mayers on 1800 241 243
