Chief Executive

Lead this highly respected Melbourne organisation, dedicated to providing a range of complementary, high quality treatment services for adults and youth in the drug and alcohol sector.

Reporting to a supportive Board, you will run the entire operations across several locations in Victoria. Responsibilities embrace governance, budget, human resources, oversight of programs, compliance, and day to day 'business' aspects of the organisation. You will build relationships with Government to maintain on-going funding and influence policy directions, access additional revenue streams, and advance partnerships with other providers in the human services sector.

Leading a team of about 100 staff across community care, residential services, outreach programs, therapeutic services, family support and administration functions, you will oversee the development of an effective, strategic presence in the drug and alcohol sector.

This diverse, hands-on role requires an experienced CEO to combine sound business and people skills with an understanding of Drug and Alcohol recovery and/or Mental Health.

If you are a proven leader who can manage effectively through change, and clearly work towards a vision for the future, send your application to cv@dakinmayers.com.au Alternatively contact Michelle Varcoe or Philip Mayers in confidence.
