

Chief Executive

Nestled in picturesque Beechworth, this long established rural health service is in easy reach of Wangaratta, Albury Wodonga and the Hotham snowfields, and has a proud reputation of providing quality health services to the community.

Reporting to a supportive Board, you will take the organisation forward strategically, working with a capable executive team. A 'big picture' outlook is essential as you will oversee operations, manage daily business activities and assess opportunities to enhance revenue streams. You will focus on governance, compliance, finances, funding and continuing improvement.

BHS is a major employer in the district and you will promote it as an 'Employer of Choice' through its positive culture, learning environment and future sustainability. This hands-on management role requires an entrepreneurial leader who can combine sound business and people skills with an appreciation of the human services or not-for-profit sectors.
