Chief Executive

This is a superb career opportunity to lead ADAPE Australasia (Association of Development & Alumni Professionals in Education) at an exciting time in its continuing growth. With a committed membership, ADAPE offers a range of valuable services for professionals in schools, universities and colleges throughout Australia, New Zealand and South East Asia.

Reporting to the Board, your key objective is to implement their recently finalised strategic plan focusing on membership growth, continuing professional development, industry partnerships and financial sustainability. You will manage a small remote team, support Chapter volunteer committees and oversee the biennial international conference.

This unique role combines both strategic and operational management, and requires proven experience reporting at Board level. The ability to manage stakeholder relationships, communicate, network, influence and negotiate is essential.

If you are an engaging and collaborative leader with a strong understanding of membership organisations, please forward your application. Alternatively contact Michelle Varcoe or Philip Mayers for a confidential discussion.
